What is Naviance?

○ Naviance is a web-based program, funded by the Bellevue Schools Foundation, that allows students to:

- Identify personality and learning styles
- Create a four-year plan
- Explore careers
- Research colleges
- Prepare for SAT (in high school)
- Work on your resume
- Organize college applications
- More...!!!

Multiple Intelligences

- Developed by Howard Gardner in the 1980s, the theory of Multiple Intelligences challenges the idea of a single IQ. Instead, every one possesses varied levels of intelligences.
- The theory of Multiple Intelligences also proposes that every one can continue to develop and strengthen their intelligences or ignore and weaken their intelligences.
